THE CORBITT PRESERVATION ASSOCIATION

Corbitt Trucks were built locally in Henderson, NC. The goal of the Preservation Association is to help restore and preserve the Corbitt name, trucks and property to the best of their ability. You can support them by joining as a member where your dues will help the association to continue. Purchasing merchandise also covers museum expenses like maintenance, traveling to events and so forth. We encourage you to participate and get involved. For more information (even if you are just curious), check out the Corbitt Preservation Association group on Facebook.
